

# CERTIFICATE

TESTEX AG, Swiss Textile Testing Institute

Gothardstrasse 61  
CH-8027 Zürich

Institute of the International Association for Research  
and Testing in the Field of Textile Ecology

The company

**Freudenberg Vliesstoffe SE & Co. KG.**

Division Interlining  
**DE - 69465 Weinheim**

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on **test report ZHNO 088648.3**

**Tested for harmful substances**  
according to Oeko-Tex® Standard 100  
ZHNO 051950 TESTEX

for the following articles:

Heat sealable or sew-in interlinings, mechanically or chemically bonded with binder, white, coloured as well as grey and black spun-dyed made of polyester, polyamide or mixtures of the same, blends of the same with viscose or thermally bonded in white, grey, black, spun-dyed, made of polyester, polyamide, thermoplastic elastomer (TPE) resp. same fibres blended or water-soluble made of polyvinylalcohol in white or Comfortemp® thermo regulating non-wovens made of polyester/polyamide or polyester, CT types in colour white or blue (based on material partly pre-certified according to Oeko-Tex® Standard 100)

The results of the inspection made according to Oeko-Tex® Standard 100, product class I for baby articles, have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to EN ISO 17050-1, is obliged to use the Oeko-Tex® mark only in conjunction with products that are conform with the sample initially tested. The conformity is verified by audits.

**This authorisation is valid until 15.04.2014**

Zurich, 07.05.2013
