

Transport and payments to EU countries

Dear customers,

here you can read explanation of business conditions regarding transport and payments to EU countries. In case of questions please contact Mrs. Zuzana Ševerová by e-mail severova@polytex.eu

Ordering options

You can make your order by e-shop or e-mail. (severova@polytex.eu)

In case of order by e-shop:

please in second step of order enter choice transport by our contracting carrier GLS (www.gls-czech.com), and in third step write down to the notes your country name or other demands.

If you have a tax identification number (TIN), please write it in the notes in order.

Invoices to EU countries are issued in Euro currency according to the current exchange rate.

Size and weight of packages must satisfy the conditions of our contracting carrier. (GLS)

Maximum package weight to other country is 15 kilograms. In case of your shipment exceeds the permitted conditions, your goods will be divided into multiple packages. Price of all packages will be summed.
